About Me:

I am the fairy that holds the power of seeing the future in reflective things. My hobbies are playing on the toy train at the toy store. I like to teach young fairies there magic.

I am Emily, one of the jewel fairies and Jack Frost stole all the jewels from the queen the week before the great recharge of there wands. With out the jewels there will be no more magic. But my friends from the human world will help me and save my friends in fairyland. Jack Frost and I battle for the emerald. But when all hope was lost, Rachel threw A teddy bear in the way of the path he was going. We got the emerald and the power of seeing the future back.
